To Whom It May Concern:

I am pleased to enclose this letter of recommendation for Kerzner Contracting Corp. Through my business Canyon Donuts owner operator of Dunkin Donuts, I have worked with Kerzner Contracting on 8+ jobs over the past four years. These projects have ranged from ground up developments to remodels, and other projects. Woody and Zack have always delivered top quality work, on time, and on budget. The Kerzner team is always able to adapt to obtain our vision, and always makes the process go as seamless as possible. I would not hesitate to use them again in the future. I would be happy to answer any other questions you might have.

Sincerely,

Eric Portnoy
Vice President
